RALLY SPIRIT**

 Beyond the Ride

MORBIDELLI T250X

Engine

Model Name	T250X
Category	Trail
Displacement (cc)	249.4
Type	Single Cylinder, 4-stroke, 4-valve, SOHC
Bore x Stroke (mm)	71 x 63
Compression Ratio	9.6:1
Maximum Power	16.7 kW @ 7,500 rpm
Maximum Torque	22.3 N.m @ 6,000 rpm
Cooling System	Oil-cooled

Transmission

Clutch / Gear / Transmission	Wet Multi-plate / 6-speed / Chain
Lubrication System	Pressure Splash Lubrication

Chassis

Ignition	T.C.I.
Front Suspension	Upside Down Telescopic Forks
Rear Suspension	Monoshock Absorber, Preload Adjustable
Front Brake	Disc, 2-piston Calipers
Rear Brake	Disc, 2-piston Calipers
Front Tyre	90/90-R19
Rear Tyre	110/90-R17
ABS	Dual Channel

Dimensions and Weights

Dashboard Type	Digital
Headlight / Tail Light	LED
USB Charging Port	Type-A (Both Sides Of Panel Meter)
Handguard / Windshield	Available
Length x Width x Height (mm)	2,050 x 975 x 1,330
Wheelbase (mm)	1,340
Seat Height (mm)	820
Ground Clearance (mm)	220
Fuel Tank Capacity (L)	11.7
Curb Weight (kg)	154
Battery	12V6.5Ah
Colour	Bulk Black, Anarchy Grey, Raptor Yellow

HIGHLIGHTED FEATURES

01 Single Cylinder, SOHC, 249.4 cc Engine

Simple power, without complications

4-stroke, 4-valve and oil-cooled. Delivers 16.7 kW and 22.3 N.m of torque for firm, reliable performance on mixed routes, urban trips and cargo transport.

02 Sturdy Double Cradle Frame

Stability on all terrain

Steel double-cradle frame offering balance, strength and durability. It's design provides stability on irregular surfaces, giving excellent control and maneuverability without sacrificing rigidity.

03 Long-travel Suspension

Ready for real terrain

Front forks and adjustable rear suspension. Great absorption of impacts from cobblestones, rocks or dirt, ensuring stability and comfort on any surface.

04 Disc Brakes with ABS

Confident under any condition

Ventilated discs with 2-piston calipers and ABS system. Ensures safe braking even on slippery or wet surfaces.

05 Full LED Lighting

Modern and safe visibility

Front DRL light, LED turn signals and LED tail light. The setup includes a front X-Stack system with four superimposed LED strips, providing great visibility both day and night.

06 Digital Screen and Backlit Controls

Practical technology for everyday use

Vertical dashboard with speed, gear and fuel indicators. USB port integrated for device charging and backlit controls for improved night visibility.

07 Spoked Wheels with Duality Tyres

Reliable traction on any road

19" front and 17" rear spoked wheels with duality tyres designed for stability on both asphalt and dirt. The spoked design enhances impact absorption and durability.

08 Trail Ergonomics + Dual-stepped Seat

Comfort for every adventure

Seat height: 820 mm from the ground, comfortable and wide. Designed for long rides with ergonomic handlebars and adjustable levers, allowing a comfortable posture for both rider and passenger.

The MORIDELLI T250X was designed with a practical and resistant approach, inspired by rallying and built to tackle the toughest terrains. It's engine, strong chassis and long-travel suspension make it an ally for riders who need a versatile and reliable motorcycle, from city streets to rural or adventure routes.

As MORIDELLI's adventure explorer, every journey is an invitation to go beyond and live freedom without limits.

Rally Spirit, Without Limits.
